

Dear Hiring Manager,

I am writing to express my interest in backend development opportunities that match my skills and experience. I am a Python Backend Developer with strong expertise in **Django**, **Django REST Framework**, and **PostgreSQL**, focused on building efficient, secure, and scalable applications.

I follow clean coding practices, maintain high performance in API design, and use tools like **Celery**, **Git**, and **Jenkins** for automation and deployment. My approach is practical and detail-oriented, ensuring reliable, production-ready solutions.

I would appreciate the opportunity to contribute my skills to your team and discuss how I can add value to your projects.

Sincerely,

Bency Baby
